

Product Change Notification

Change Notification #: 119523-00

Change Title: Select Intel® NUC 11 Enthusiast Mini PC (L10 SKUs only),
PCN 119523-00, Product Discontinuance,
End of life

Date of Publication: April 05, 2023

Key Characteristics of the Change:

Product Discontinuance

Forecasted Key Milestones:

Last Product Discontinuance Order Date	June 06, 2023
Last Product Discontinuance Shipment Date	August 05, 2023

Description of Change to the Customer:

The Intel SKUs listed in the products affected table will End of life.

This Product Discontinuance Announcement for the Intel® NUC family allows Intel customers to take shipments up to August 5, 2023, while supply is available.

Customer Impact of Change and Recommended Action:

Intel® Desktop Boards (product codes listed below) will be discontinued on June 6, 2023. Customers wishing to order these products must have final orders placed with Intel by June 6, 2023. Effective August 5, 2023, Intel will stop shipping the Intel® Desktop Board: Phantom Canyon L10 hardware. All orders placed on or after the Product Discontinuance Announcement date are non-cancelable / non-returnable orders.

If customers are currently using these order codes, be sure to contact your authorized Intel Representative and inform them of your requirements through this time frame.

Notices & Disclaimers

No license (express or implied, by estoppel or otherwise) to any intellectual property rights is granted by this document.

Intel disclaims all express and implied warranties, including without limitation, the implied warranties of merchantability, fitness for a particular purpose, and non-infringement, as well as any warranty arising from course of performance, course of dealing, or usage in trade, except as provided in a separate written agreement.

You may not use or facilitate the use of this document in connection with any infringement or other legal analysis concerning Intel products described herein. You agree to grant Intel a non-exclusive, royalty-free license to any patent claim thereafter drafted which includes the subject matter disclosed herein.

The products described may contain design defects or errors known as errata which may cause the product to deviate from published specifications. Current characterized errata are available on request.

Statements in this document that refer to future plans or expectations are forward-looking statements. These statements are based on current expectations and involve many risks and uncertainties that could cause actual results to differ materially from those expressed or implied in such statements. For more information on the factors that could cause actual results to differ materially, see our most recent earnings release and SEC filings at www.intc.com.

Customer is responsible for safety of the overall system, including compliance with applicable safety-related requirements or standards.

Intel technologies may require enabled hardware, software or service activation.

No product or component can be absolutely secure.

Your costs and results may vary.
