

# Product Change Notification

**Change Notification #:** 119647-00

**Change Title:** Select Intel® NUC 12 Enthusiast Kit & Mini PC, NUC12SNKi72, Core™ i7, Arc™ A770M, PCN 119647-00, Product Discontinuance, Product End of life

**Date of Publication:** August 10, 2023

## Key Characteristics of the Change:

Product Discontinuance

## Forecasted Key Milestones:

Last Product Discontinuance Order Date	August 18, 2023
Last Product Discontinuance Shipment Date	September 08, 2023

## Description of Change to the Customer:

This Product Discontinuance Announcement on the Intel® NUC products listed in the Products Affected table below, allows Intel customers to take shipments up to September 8, 2023, while supply is available. If you are currently using these order codes, be sure to contact your authorized Intel representative and inform them of your requirements through this time frame.

## Customer Impact of Change and Recommended Action:

Please determine your remaining demand for the products listed in the "Products Affected/Intel Ordering Codes" table and place your "Last Product Discontinuance Order" in accordance with the "Key Milestones" listed above.

Please contact your local Intel Field Sales representative if you have any further questions about this End of Life notice.

Distributors and Resellers are responsible for letting their customers know about this discontinuance in a timely manner.

### Notices & Disclaimers

No license (express or implied, by estoppel or otherwise) to any intellectual property rights is granted by this document.

Intel disclaims all express and implied warranties, including without limitation, the implied warranties of merchantability, fitness for a particular purpose, and non-infringement, as well as any warranty arising from course of performance, course of dealing, or usage in trade, except as provided in a separate written agreement.

You may not use or facilitate the use of this document in connection with any infringement or other legal analysis concerning Intel products described herein. You agree to grant Intel a non-exclusive, royalty-free license to any patent claim thereafter drafted which includes the subject matter disclosed herein.

The products described may contain design defects or errors known as errata which may cause the product to deviate from published specifications. Current characterized errata are available on request.

Statements in this document that refer to future plans or expectations are forward-looking statements. These statements are based on current expectations and involve many risks and uncertainties that could cause actual results to differ materially from those expressed or implied in such statements. For more information on the factors that could cause actual results to differ materially, see our most recent earnings release and SEC filings at [www.intc.com](http://www.intc.com).

Customer is responsible for safety of the overall system, including compliance with applicable safety-related requirements or standards.

Intel technologies may require enabled hardware, software or service activation.

No product or component can be absolutely secure.

Your costs and results may vary.

©Intel Corporation. Intel, the Intel logo, and other Intel marks are trademarks of Intel Corporation or its subsidiaries. Other names and brands may be claimed as the property of others.

No response from customers will be deemed an acceptance of the change, and the change will be implemented pursuant to the key milestones set forth in this attached PCN.

Should you have any issues with the timeline or content of this change, please contact the Intel Representative(s) for your geographic location listed below.
