

CE Mark Regulatory Risk Assessment

Date: Jan. 10th, 2020

Model Number(s): xNUC9QNx

Item Description: Intel® NUC

Directive	Applicability (Y/N)	Harmonized Standard(s) used (Y/N)
Radio Equipment Directive 2014/53/EU (RED)	Y	Y
RoHS 2011/65/EU	Y	Y

When Harmonized Standards are used for the applicable directives as noted above and the device identified above is covered within the Harmonized Standards used in which the device is found conformant to those requirements called out in the Harmonized Standards; this is considered to provide a presumption of conformity. The standards used can be found on the Declaration of Conformity.
